A Discussion on problem-solving

What can we do when we encounter a problem? You may want to share incidents with your children in which you, parents, have encountered a problem. Try to think back to how you felt, think of possible solutions together, and then tell them how you solved the problem.

קרטונים

What can we do with...?

A hoop can be a steering wheel, a plate or... Scan the QR code and watch a video about creativity? Later, you can continue to think about – What can we do with a paper roll? A kerchief? A dwarf puppet?

שִׁמְע

Singing together

The dwarves planted mushrooms and sang “all the songs they knew”. You too can sing your favorite songs together. Perhaps you’ll sing about dwarves, or rain, or songs that cheer you up and make you smile.

מִשְׁחָק

A Game of “Which Dwarf am I?”

Take turns pretending to be one of the dwarves that appear in this book: The one with the umbrella, the one planting a mushroom, or the one jumping into puddles. The other players will try to guess what the dwarf is doing and find it in the book.

קָלִי

Pleased to meet you, I'm Hyla!

I'm similar to a frog but smaller. I can be found in Israel, mostly on trees, eating insects and laying eggs in water. I am a protected species and therefore cannot be kept in a jar – only in nature.
